

# OCEAN TOMO INTERNATIONAL

Ocean Tomo International (OTI) is *the* Patent Business Marketplace recognized as a community-driven, comprehensive source of global intellectual property (IP) based commercial information. OTI provides finance, legal, business and media professionals with a unique online platform containing the latest IP news, data, insight and pricing. OTI's research tools and global patent transaction data drive intelligent business decisions in a highly competitive global economy.

OTI content is delivered in an easy to read, user-friendly format. The OTI platform facilitates streamlined access to a number of unique data sets including:

#### GLOBAL PATENT DATA

Search and set alerts within over 33 million patents and set notification alerts within 81 patent issuing jurisdictions.

#### LITIGATION DATA

Follow the latest court filings by company and jurisdiction.

#### EQUITY INDEXES + RANKINGS

Observe the performance of stock market indices and company rankings based on the value of intellectual property.

#### TRANSACTIONS

Searchable database designed to facilitate discovery of USPTO patent assignments.

#### BID-ASK

Next generation marketplace built to provide access to more than 33 million patents across 81 patent issuing jurisdictions; quickly clear patent transactions through a unique blend of technology and professional services.

#### PATENTMARKING

A virtual marking service and system designed to support management and maintenance of their patent-to-product information while providing both a searchable repository and more effective means of managing the risk of false marking.

#### NEWS + OPINION

Curated stream of the most current intellectual property related news and opinion from leading outlets.

#### OCEAN TOMO

Collaborate with experts in the field of intellectual property valuation, monetization, strategy and litigation damages determination.

Powered by a remarkable search engine, OTI allows registered users to search within one platform a wide variety of otherwise unrelated content and data. Subscribers have the added advantage of setting alerts for new or changing information establishing an effective competitive monitoring resource.

The OTI gateway facilitates company-level IP intelligence across a wide variety of news, data and information sources, providing actionable IP market intelligence.
